The Fundraisers' Network for Development

(FuND Philippines), Inc.

The Fundraisers' Network for Development is a membership association dedicated to strengthen the professional development and standardization concerns of fundraisers and non-profit organizations working in the Philippines. It is comprised of professionals and advocates working with a variety of causes determined to help each other become more effective in resource generation for non-profit organizations.

Programs and Projects:

1. Members' Professional Development

We are determined to continuously upgrade the capacity of our members to do resource generation. We often the following services to assure that our members get the latest development about the fundraising and non-profit industry:

1. twice a year, full day capability building in Luzon, Visayas and Mindanao;
2. quarterly members-only networking session;
3. free or subsidized participation in all professional enhancement activities of the association;
4. special access to relationship and community-building events and activities of the network;
5. website sections on members' activities and services. Fundraising issues, trends and innovations; and
6. special website access on online posting of funding opportunities, news about donors, fundraising reading materials, list of suppliers and job postings.

2. Learning Sessions

In our pursuit to advocate for ethical fundraising we conduct open to the public trainings for fundraisers and development professionals. Aside from resource generation training topics, we also offer NGO governance and management, marketing and branding, program and project development and other topics that significantly impact fundraising. FuND members are given 10-20% discount in all our training offerings.

3. Passion Forward: The Asia Pacific Fundraising Conference

Passion Forward is a gathering of champions, professionals, volunteers, sponsors, direct implementers, active promoters and benefactors of non-profit organizations specifically involved in the application and pursuit of innovative, excellent and sustainable solutions in resource mobilization. It is a 4-5 day event focused on delivering sustainable fundraising solutions for NGO activities from all over the Asia Pacific Region. Meet, learn and network with highly acclaimed international speakers with extensive and practical Asian experience.

4. Advocacy, Research and Development

We are committed to contribute in building a fundraising-friendly environment. In doing so we regularly conduct professional-ization survey that includes a study on the roles, responsibilities and commensurate fees for fundraising practitioners in the Philippines. All these are geared towards developing a process of strategic skill building and development such as accreditation or certification that will concretize the “professional-ization” of the sector.

5. Resource Mobilization

To do all of FuND Philippines programs and projects it need adequate financial resource. We conduct our own fundraising initiatives to sustain our operations and deliver effective services to our members.
